Part IV - Additional Information

The Organization's sole mission is to advocate for and support The Haven and its programs through the University of Colorado, so there is no need for a selection process between various grantees. The Organization maintains records of all awards to The Haven. In order to monitor the use of funds there are interim and final reports on the use of all funds.

Form 990 - Organization's Mission

Friends of the Haven was formed to provide financial and volunteer support to further the activities of The Haven, whose charter is to provide a safe, empowering and enriching environment for women and their children where the women can recover from addictions and co-occurring mental illness and their infant children can attend a quality rated child care.

Form 990, Part III, Line 4a - First Accomplishment

The University of Colorado School of Medicine operates The Haven. Friends of The Haven grants money annually to the University of Colorado Foundation for the benefit of The Haven. The Haven's and the Baby Haven's goal is to be a place where women can recover from addictions and co-occurring mental illness, deliver healthy, drug-free infants (if pregnant), improve parenting skills and receive quality early educational services for their children, maintain and build upon cultural and family connections as sources of social support, and become self-sufficient, confident and productive members of our community. Friends of the Haven, with generous gifts from donors, renovated and furnished Building 18 on the Fort Logan campus as transitional housing for 15 women and their children who are completing residential treatment. It has been named the Lighthouse, and was completed and occupied in November of 2016. Friends of The Haven continued to award the treatment scholarships to the women in treatment at Haven. Friends of the Haven with generous gifts from donors and a matching grant from Qualistar Colorado completed a major remodel of the playground for the Baby Haven child care facility in 2019. New age related play equipment was
